

# Don't act your age

**Back in your day, if Norma kept going on and on about her grandkid's promotion, you'd have to endure it. Holding on to each pause, praying that she'd give it a rest and let you return to your newspaper. Well, the wait is over, because with cellphones nowadays, you can get back to Norma at your leisure. Enjoy your newspaper in peace, leave Norma on read.**

**AT&T**

Textperts welcome you
